Southern California tops field in I women's swimming

Kristine Quance and Lindsay Benko won two events apiece and Southern California held onto the lead down the stretch to take the team title at the Division I Women's Swimming and Diving Championships March 20-22 at Indianapolis.

Quance's victory in the 200-yard breaststroke during the final day's events put Southern California in the lead, and the Trojans hung on for an 11-point win over five-time defending champion Stanford.

The tide was the first for Southern

California but the third for coach of the year Mark Schubert, who took Texas to the top in 1990 and 1991. He and Stanford coach Richard Quick are the only coaches who have won team titles since 1984, and Southern California is the first team champion other than Texas or Stanford since Florida won the first meet in 1982.

In addition to the 200-yard breaststroke victory, Quance won her third title in the 400-yard individual medley to end her career with eight individual wins. Benko's titles were in the 500-yard freestyle and the 200-yard backstroke, her third and fourth career victories. She also finished second in the 200-yard freestyle.

Stanford managed to hold the lead

into the final day on the strength of freshman and Olympian Catherine Fox, who sprinted to victory in the 50-yard freestyle in the meet's fourth

event, then captured the 100-yard backstroke on the second day to help give the Cardinal a 15-point advantage heading into the home stretch.

Stanford also had a leg up on Southern California in the relay events, finishing no worse than fourth in the five events and winning one,

the 400-yard freestyle, with Fox as the anchor. The Cardinal outscored the Trojans, 166-128, in the relays but did not post an individual event winner besides Fox in the other 16 events.

Swimmer-of-the-meet honors went to Southern Methodist's Martin Moravcova, who won three events to help the Mustangs place third overall. Moravcova won the 100- and 200-yard freestyles, beating Fox in the former and setting a meet record in the latter, and bested Quance in the 200-yard individual medley, an event Quance had won twice in three years.

Southern Methodist also picked up help from Lia Oberstar, who won the 200-yard butterfly and placed in the top three in both backstrokes. Arizona finished fourth behind Trina Jackson's win in the 1,650-yard freestyle and Ashley Tappin's three top-four freestyle finishes. Georgia placed fifth and Michigan was sixth.

Auburn, which finished seventh, won the 200-yard medley relay and featured freshman Mimi Bowen, who captured the 100-yard butterfly.

In diving, Texas' Vera Ilyina won both the one- and three-meter event to be named diver of the year. Team mate Laura Wilkinson won the platform event and Longhorns diving coach Matt Scoggin was named diving coach of the year. Texas diver scored more than half of the Longhorns' total points.

Kenyon rolls to 18th straight victory in III men's swimming

All is normal again in Division III men's swimming.

After a blip on the screen when Kenyon lost its conference meet for the first time in 44 years, the Lords made a resounding return to national dominance by compiling a record score at the Division III Men's Swimming and Diving Championships March 20-22 at Oxford, Ohio.

The Lords won all five relay events and parlayed impressive performances by all-Americans Pedro Monteiro and David Phillips into an 18th consecutive team title.

It didn't take long for coach Jim Steen's Lords to assume command as their 200-yard freestyle relay team of Ken Heis, Darrick Bollinger, Richard Thoms and Matt Miller stroked to a meet record in just the meet's third preliminary heat. The same foursome then topped that mark to lead off that evening's finals.

Phillips and Heis followed with wins in the 500- and 50-yard freestyles, respectively, and Monteiro led a dramatic rally in Kenyon's 400-yard medley relay victory to give the Lords a commanding 136-point lead after the first day's events.

Bollinger's win in the 200-yard freestyle and two more relay wins highlighted the second day, and Monteiro set a sizzling record during the final day to electrify the crowd. Monteiro, a world-

class butterfly performer, smashed his own 1995 mark in the 200-yard butterfly by nearly three seconds in the preliminaries and just missed eclipsing the mark again in winning the finals. Monteiro also captured the crown in the 100-yard backstroke to join Phillips as a double winner.

In all, Kenyon compiled 689 1/2 points, the highest team total in the championships' 23-year history. UC San Diego, scoring 107 points in the two distance freestyle events, placed second for the sixth time in the last nine years. Denison, which had ended Kenyon's North Coast Conference reign in February, finished third and Union (New York) edged Williams for fourth.

As much as Kenyon dominated, the meet's brightest star was Claremont-Mudd-Scripps' Gary Simon, who won three events and set two meet records. A transfer from Loyola Marymount, Simon blasted to a meet record in the preliminaries of the 200-yard individual medley and topped it again in the finals. He also won the 100-yard breaststroke after setting another record in the preliminaries, then clinched swimmer-of-the-meet honors with his final-day win

David Phillips won both the 500- and 1,650-yard freestyles for Kenyon, which cruised to its 18th consecutive team title.

in the 200-yard breaststroke.

In all, five meet records fell. Besides those set by Simon and Monteiro, Matt Johnson of Johns Hopkins established a new standard in the 100-yard butterfly, besting his own mark set last year.

Other individual event winners included Jeremy Francioni of Wisconsin-Stevens Point in the 200-yard backstroke, Jean-Paul Gowdy of Middlebury in the 400-yard individual medley and John Young of Williams, who successfully defended his crown in the 100-yard freestyle.

In diving, John Karpe of Wisconsin-Stevens Point took the one-meter crown and placed second in the three-meter to earn diver-of-the-meet honors. Kalamazoo's Jeffrey Gorton passed Karpe on the last dive to win the three-meter event. Karpe's coach, Debi Campbell, was named diving coach of the meet.

The swimming coach of the meet was Wisconsin-Stevens Point's Red Blair, who is retiring after guiding his team to a seventh-place finish in his last of 32 years as head coach.

Men's, women's swimming teams receive all-academic honors

The College Swimming Coaches Association of America (CSCAA) has announced the teams that achieved all-academic honors for the 1996 fall semester.

To qualify for honors, a team must have a combined grade-point average of at least 2.800 (4.000 scale) during the fall semester. The CSCAA recognizes a grade-point average of 2.800 or higher as commendable, 3.000 or higher as excellent and 3.250 or higher as superior.

In all, 189 teams were honored. Emory's men's team posted the highest GPA (3.430) of any team in any division. Twenty-six additional teams achieved the CSCAA's superior rating.

The following teams received all-academic honors and posted the listed overall GPAs, according to the CSCAA:
