- (c) be a citizen of the United States; and
- (d) be eligible to represent the United States in international competition.

In order to be considered for Selection to the Team, an athlete must, at the time of Selection, be an Available Swimmer.

### 1.1.2 Nationality/Passport requirements:

Athlete must hold a valid U.S. passport by Tuesday August 13, 2019, that will not expire for six months after the conclusion of the 2019 FINA World Junior Swimming Championships.

### 1.1.3 Other requirements (if any):

- (a) An athlete must qualify for the Qualifying Competition, and compete in the Qualifying Competition;
- (b) Each swimmer that has been Selected to the Team must sign and return to USA Swimming, by 11:59 p.m. PST on August 7, 2019, and abide by, the USA Swimming applicable competition forms which will be made available prior to the Qualifying Competition;

## 1.2 Tryout Events:

The Qualifying Competition.

## 1.3 Comprehensive Selection Process:

This Section 1.3 sets forth the steps by which Available Swimmers will be Selected to the Team. Although USA Swimming may announce during the Qualifying Competition that swimmers have “made the Team” or “qualified for the Team,” any such announcement is considered to be informal and subject to change. The process of determining who is eligible to be Selected to the Team will take place at or before approximately 9:00 p.m. PST on August 4, 2019, after completion of the Qualifying Competition. The results from the application of these Selection Procedures will be announced on August 8, 2019, although USA Swimming retains the right to make changes to the results to address withdrawals and vacancies through the date when the final entries are forwarded to the organizing committee for the 2019 FINA World Junior Swimming Championship. The specific steps for determining the athletes to be Selected to the Team are as follows:

- 1.3.1 **Team Size.** The maximum allowable Team size is twenty-six (26) men and twenty-six (26) women. The actual Team size will be determined once these Selection Procedures have been implemented. For purposes of these Selection Procedures, the men's and women's components of the Team will be considered separately. USA Swimming is under no obligation to select to the Team a full team of 26 athletes in each, or either, gender. Transgender athletes shall compete at the Championships consistent with IOC, FINA, USOC and Championships' Organizing Committee policies and criteria.
- 1.3.2 **Qualifying Competition.** Performances at the Qualifying Competition, from among those eligible to compete in the Qualifying Competition as provided in Section 1.2

above, will be used to determine the Team. Performances at the Qualifying Competition will be prioritized using the priority system described below.

- 1.3.3 Voluntary Withdrawal. Any athlete may choose to voluntarily withdraw from the FINA World Junior Swimming Championships Team. An athlete choosing to voluntarily withdraw from the Team must do so in writing and is strongly encouraged to submit a written letter to the National Junior Team Director by 8:00 p.m. PST on August 5, 2019.
- 1.3.4 Application of Priorities for Team Selection. Performances in the individual Events at the Qualifying Competition will be prioritized for each gender as described in this Section.
- 1.3.5 These Priorities will be applied on or before 9:00 p.m. PST on August 4, 2019, after completion of the Qualifying Competition. Swimmers not qualifying via one of these priorities will not be eligible to be Selected to the Team, unless they are subsequently added to the Team as a replacement according to the process set forth in Section 4. If, after applying the priorities set forth below, as well as the procedures set forth in Section 1.3.3, there are fewer than twenty six (26) men or twenty six (26) women, or both, on the Team, then USA Swimming will not field a full Team, unless the Team is filled as a result of adding one or more replacements as provided in Section 4.
  - (a) Priority #1. The first priority will be comprised of (i) the first placing Available Swimmer based on the final results swum at the Qualifying Competition in each Event other than the 100 and 200 freestyle; and (ii) the four best placing Available Swimmers based on the final results swum at the Qualifying Competition in the 100 and 200 freestyle.
  - (b) Priority #2. The second priority will be the second placing Available Swimmer based on the final results swum at the Qualifying Competition in each Event, except in the 100 and 200 freestyle.
  - (c) Priority #3. The third priority will be the fifth placing Available Swimmer based on the final results swum at the Qualifying Competition in the 100 Freestyle.
  - (d) Limitation. Available Swimmers finishing below the sixth placing Available Swimmer at the Qualifying Competition cannot be considered for Selection to the Team (example: if an athlete is the 7th placing Available Swimmer in an Event and they meet the above criteria, they will not be eligible for selection to the team), with the exception of the 100 and 200 freestyle Events; up to and including the 8th placing Available Swimmer from the Qualifying Competition in the 100 and 200 freestyle events will be eligible for Selection to the Team.
- 1.3.6 Procedure if Selection to the Team Stand to Exceed 26 Per Gender. If the application of the procedures set forth in Section 1.3.5 results in a list of either more than twenty-six (26) male or more than twenty-six (26) female swimmers (or both) to be Selected to the Team, then the swimmers of the gender with more than 26 swimmers to be Selected to the Team shall be ranked and Selected to the Team according to the following procedure:
  - (a) All swimmers from Priority #1 shall be Selected to the Team.

- (b) All swimmers from Priority #2 will be Selected to the Team; provided, however, that if adding all swimmers from Priority #2 would result in more than twenty-six (26) swimmers for a gender to be Selected to the Team, then the swimmers within Priority #2 shall be Selected to the Team in order of the best Modified World Ranking for the Event for which they qualify until a maximum of twenty-six (26) swimmers for that gender are Selected to the Team.
- (c) If all Priority #2 swimmers are Selected to the Team and the maximum Team size of twenty-six (26) swimmers per gender has not been attained, then the Priority #3 swimmer will be Selected to the Team (subject to limitations set in Section 1.3.5(d)). If adding the Priority #3 swimmer would result in more than twenty-six (26) swimmers for a gender to be Selected to the Team, then the swimmer will not be selected.

### 1.3.7 Breaking a Tie.

- (a) Tie in Same Event. In the instance where there is a tie between two Available Swimmers in the same Event for first place, both swimmers will be classified under Priority #1. In the instance where there is a tie between three or more Available Swimmers for first place in the same Event or where there is a tie between two or more Available Swimmers in the same Event for second place, a swim-off will be conducted at a time determined by the National Junior Team Director, the swimmers, and the personal coaches of the swimmers. If the parties are unable to agree on a date and time for the swim-off, then the date and time will be established by the National Junior Team Director. If the initial swim-off fails to break the tie, this process will continue until the tie is broken. The swimmers will be assigned to their respective Priorities based on their finish in the swim-off(s). The swim-off results will only be used to determine places of those involved in the swim-off and may not be used to change the finish order otherwise determined at the Qualifying Competition (for example, the winner of the swim-off between the second and third place finishers at the Qualifying Competition may not use his/her time in the swim-off to move to Priority #1 if the swim-off time is better than the time of the winner of the Qualifying Competition).
- (b) Tie in Determining Selection to Team Involving Swimmers from Different Events. In the instance where the application of Modified World Rankings is used to rank swimmers to be Selected to the Team (e.g. Sections 1.3.5 (b)-(c)), and where the application of the Modified World Rankings results in a tie between two or more swimmers in different Events for the final position(s) on the Team, the tie will be broken as follows:
  - (i) Each swimmer's fastest performance swum in his/her Event at the Qualifying Competition will be ranked according to the FINA Points Table, 2019. The swimmer who has the best ranking shall be Selected to the Team.
  - (ii) If this fails to break the tie, each swimmer's fastest performance swum in his/her Event at the Qualifying Competition will be converted into a ratio, using the swimmer's Qualifying Competition time as the denominator, and the FINA-approved World Record for that Event as of July 29, 2019, as the numerator, and the swimmer(s) with the highest percentage shall be Selected to the final

position(s) on the Team. A World Record set at the Qualifying Competition would not qualify as a FINA-approved World Record because the record would not yet be officially approved by FINA.

(iii) If this fails to break the tie, the fastest time swum by each swimmer in his/her Event during the period from January 1, 2019, through and including July 28, 2019, will be ranked according to the Modified World Ranking lists, and the swimmer(s) will be Selected to the Team in order of the best ranking.

(iv) If this fails to break the tie, then the swimmer with the highest Modified World Ranking in an Event other than his/her Event involved in the tie shall be Selected to the Team (e.g. if a swimmer's results in the 100m freestyle are involved in the tie, then that swimmer's highest Modified World Ranking in an Event other than the 100m freestyle shall be considered).

(v) If this fails to break the tie, each swimmer's fastest performance swum in an Event at the Finals of the Qualifying Competition other than the Event that is the subject of the tie will be ranked according to the FINA Points Table, 2019. The swimmer who has the best ranking shall be Selected to the Team. If only one swimmer involved in the tie swam a second Selected at the Qualifying Competition, then that swimmer will be Selected to the Team.

#### 1.4 Announcement.

Those officially selected to the Team will be announced at approximately 12:00pm MST on August 8, 2019.

#### 1.5 Selection of Swimmers for Individual Olympic Events.

- a. The two Available Swimmers with the fastest times from the Finals in all Individual Olympic Events at the Qualifying Competitions will be given the opportunity to swim the corresponding Individual Olympic Event at the Championships (for example, the top two fastest times in the 200m butterfly at the Qualifying Competitions will swim the 200m butterfly at the Championships), provided that they meet all other requirements.
- b. If a Priority #2 swimmer fails to make the Team because the Team is full, then the swimmer already on the Team who has recorded the fastest time in that vacant individual Event during the period from January 1, 2018, through and including July 28, 2019, will be given the opportunity to swim that Event.
- c. If one of the top two finishing Available Swimmers in an individual Event at the Qualifying Competition chooses not to swim in that Event at the Championships, the vacancy will be filled by the next available swimmers from the Qualifying Competition subject to limitations in 1.3.5(d).
- d. If there is a vacancy in an Individual Olympic Event that arises on or after 11:59 a.m. MT on August 8, 2019, the replacement process set forth in Section 4 will be used to fill the vacancy in that Individual Olympic Event.

## 1.6 Selection of Swimmers for Individual Non-Olympic Events

- a. For Non-Olympic Events at the Championships (M/W 50 Butterfly, M/W 50 Backstroke, M/W 50 Breaststroke), athletes will be selected via the following method:
  - (i) USA Entry #1 - Will be given to Priority #1 in section 1.3.5 in the Events listed below.
  - (ii) USA Entry #2 – Will be given to the Team member who has swum the fastest time in the Non-Olympic Event between January 1, 2018, through and including July, 29, 2019.

<u>First Offer to Those on Team In:</u>		<u>Individual Non-Olympic Event</u>
Men's/Women's 100 Butterfly	for	Men's/Women's 50 Butterfly
Men's/Women's 100 Backstroke	for	Men's/Women's 50 Backstroke
Men's/Women's 100 Breaststroke	for	Men's/Women's 50 Breaststroke

If, after applying these Individual Non-Olympic Event selection procedures, entry #1 and entry #2 are held by the same Available Swimmer then the next member of the Team with the fastest time in the Individual Non-Olympic Event between January 1, 2018 through and including July 28, 2019. Should this Team member decline the spot the USA Entry #2 will go to the Priority #2 athlete in the corresponding 100 Event (as defined per section 1.3.5).

Example: For the men's 50 Butterfly, the USA Entry #1 will be offered to the winner of the 100 Fly at the Qualifying Competition. The USA Entry #2 will be offered to the member of the Team who has swum the fastest time in the 50 Butterfly between January 1, 2018 through and including July 28, 2019. If this is the same athlete, the USA Entry #2 will be offered to the member of the Team who swum the second fastest time in the 50 Butterfly between January 1, 2018 through and including July 28, 2019. Should this member of the Team decline the spot, the USA Entry #2 will go to the second-place athlete of the 100 Fly at the Qualifying Competition.

- b. Should all of the swimmers listed above decline the opportunity to swim the Individual Non-Olympic Events, unfilled position(s) for such Individual Non-Olympic Event(s) shall, after consultation between the swimmer and Head Coach and National Junior Team Director, be filled by the Team member(s) who has swum the fastest time (or second-fastest time if two positions in the Event are to be filled) in such Individual Non-Olympic Event from January 1, 2018, through and including July 28, 2019. If vacant Non-Olympic Event positions are still not filled, those positions shall be filled from among other swimmers already on the Team at the discretion of the Head Coach, in consultation with the Assistant Coaches and the National Junior Team Director.

## 2. RELAY SELECTION

All swimmers who are Selected to the Team shall be eligible for selection to any and all relays to be held at the 2019 FINA World Junior Swimming Championships.

The National Junior Team Director, in consultation with the Head Coaches and the assistant coaches, shall select the swimmers for each relay conducted at the 2019 FINA World Junior Swimming Championships. In selecting the relay teams, the National Junior Team Director and the coaches, shall consider all available relevant information, including but not limited to each Team member's Qualifying Competition performances (including preliminary times, time trials, swim-offs and relay lead-off times), past relay performances, past relay reaction times, relay exchange experience, 2019 FINA World Junior Swimming Championships performances, personal best performances, 2019 FINA World Junior Swimming Championships event schedules, individual workload, other recent results and performances, consistency of performances, fatigue, health, fitness levels, training preparation, participation in relay training camps, scientific evaluation, attitude and team chemistry.

Any member of the relay selection committee that has a possible conflict of interest must disclose it. If such conflict exists, the relay selection committee member must recuse him/herself from relay selections discussions and voting. Further, the committee member should not otherwise influence other members of the relay selection committee in the selection process. However, a committee member who recused him/herself, but who has relevant and necessary information with respect to athlete performance, may, if requested by the relay selection committee, provide such information to the committee so long as such information is provided in a fair and unbiased manner and the committee member who declared the conflict of interest does not vote toward the final decision.

### **3. REMOVAL OF ATHLETES**

- 3.1 An athlete Selected to the Team by USA Swimming may be removed for any of the following reasons, as determined by USA Swimming's National Junior Team Director:
  - 3.1.1 Voluntary withdrawal. An athlete may choose to voluntarily withdraw from the Team. The athlete must submit in writing any withdrawal to the National Junior Team Director not later than 8:00 p.m. PST on August 5, 2019.
  - 3.1.2 Injury or illness as certified by a physician (or medical staff) approved by USA Swimming. USA Swimming may remove an athlete who has an injury or illness, as certified by the approved USA Swimming team physician assigned to the sport of swimming, that is likely to keep him or her from competing at peak levels in 2019 FINA World Junior Swimming Championships. If an athlete refuses verification of his/her illness or injury by the approved USA Swimming team physician assigned to the sport of swimming (or his/her medical staff), his/her injury will be assumed to keep him or her from competing at peak levels in the 2019 FINA World Junior Swimming Championships, and he/she may be removed.
  - 3.1.3 An athlete may be removed if the National Junior Team Director, in consultation with the Head Coaches, the USA Swimming National Team Managing Director and the USA Swimming Steering Committee Chairman and the Chair of the Athletes Executive Committee, determine that the swimmer is unable or unwilling to maintain a training regimen that is necessary for peak performance in the 2019 FINA World Junior Swimming Championships. (See Participation and Commitment Agreement, which is included in Attachment A.)

- 3.1.4 Any swimmer may be dismissed from the Team at any time if the swimmer violates any of the applicable 2019 FINA World Junior Swimming Championships Organizing Committee, FINA, USA Swimming or other rules and regulations applicable to the Team or its members, including without limitation applicable Codes of Conduct or Honor Codes.

If a swimmer is alleged to have committed an anti-doping rule violation, that swimmer shall remain on the Team (or remain eligible to be Selected to the Team) until: (i) the swimmer is provisionally suspended or declared ineligible after a hearing conducted pursuant to the U.S. Anti-Doping Agency Protocol for Olympic Movement Testing or by FINA; (ii) the swimmer voluntarily accepts a provisional suspension or sanction of ineligibility; or (iii) the swimmer voluntarily withdraws from the Team or relinquishes eligibility to be Selected to the Team.

- 3.1.5 An athlete who is to be removed from the Team or from eligibility to be Selected to the Team, pursuant to these provisions, has the right to a hearing per the USA Swimming Bylaws ([usaswimming.org](http://usaswimming.org)) or the applicable anti-doping code/protocol before such removal or declaration of ineligibility.

#### **4. REPLACEMENT OF ATHLETES**

- 4.1.1. Adjustments to the Team and Events from the time of announcement of the Team (approximately 12:00 p.m. MST August 8, 2019) through the date which entries are due to the organizing committee):

If there is a vacancy in an Event that occurs between the time of announcement of the Team (approximately 12:00 p.m. MST August 8, 2019) through the date which entries are due to the organizing committee, USA Swimming can add Available Swimmers to the team.

- (a) Filling Vacant Event Positions with Team Vacancy.

##### Filling Vacant Event Positions in All Events

For all Events if the Team is not full (fewer than twenty-six (26) swimmers per gender) after a swimmer declines a position in an Event for any reason, or Event positions otherwise become vacant, then the vacancy in any such Event(s) shall be filled by the next fastest Available Swimmer in that Event, subject to the priorities and limitations in Section 1.3. If he/she declines to swim in the Event, then he/she shall not be considered an Available Swimmer for that Event, and the next fastest Available Swimmer will be selected according to Section 1.3.5. If adding the next Available Swimmer from each Event left vacant would cause the Team to exceed the maximum number (twenty-six (26) per gender), then those who qualify as the next fastest Available Swimmer in the Events left vacant shall be ranked according to the procedure described in Section 1.3.6. Those ranked highest according to that procedure shall be added to the Team in order until the Team reaches twenty-six (26) per gender,

and any remaining Event vacancy will be filled from within the Team pursuant to Section 4.1.1(b) below.

(b) Filling Vacant Event Position with No Team Vacancy.

If the Team is still full (twenty-six [26] per gender) after the withdrawal from an Event, the vacancy in any Event(s) will be filled by an Available Swimmer already on the Team. First priority will be given to the next highest place finisher at the Qualifying Competition. If no swimmer already on the Team swam the Event at the Qualifying Competition, then the Available Swimmer on the Team with the fastest time recorded in the Event between January 1, 2018, through and including July 28, 2019, will be selected for that Event; provided, however, that the replacement swimmer must agree, after consulting with the Head Coach and National Junior Team Director, to compete in the additional Event. If the replacement swimmer does not agree to swim in the additional Event, then this process will repeat until the vacant Event is filled.

4.1.2. Adjustments to the Team and Events after submission of Entries by Name to the Organizing Committee:

After August 11, 2019, or the date in which entries are due to the organizing committee (whichever is earliest), no swimmers will be added to the Team or Events.

**5. SUPPORTING DOCUMENTS**

USA Swimming will retain the approved Selection Procedures and all supporting documents, including scouting or evaluation forms, etc., and data from the selection process for six months past the date of the conclusion of the 2019 FINA World Junior Swimming Championships.

**6. REQUIRED DOCUMENTS**

In addition to the USA Swimming Code of Conduct, those documents included as Attachment A are required to be signed by an athlete as a condition of selection to the 2019 FINA World Junior Swimming Championships. Other required documents will be provided at or before the Qualifying Competition.
