Entry Procedures

All entries for this meet must be submitted using the USA Swimming Online Meet Entry (OME) system. No paper, fax, or email entries will be accepted; there will be no late or on-deck registration at this meet. OME can be accessed on the USA Swimming website at usaswimming.org/ome

- OME will be available for this meet for <u>Midwestern Swimming</u> (<u>LSC</u>) teams only beginning at 8:00 AM CT on Friday, April 3, 2020.
- OME will open for teams outside of Midwestern Swimming LSC beginning at 8:00 AM CT on Monday, April 6, 2020.
- OME will close when the 400 swimmer limit has been reached, but no later than Tuesday, June 2, at noon CT.
- An athlete is not considered entered into this meet until the checkout process has been completed in OME.

The OME system processes payment by credit card and will accept Visa, MasterCard, American Express, and Discover. Upon payment, a confirmation email providing a receipt and summary of entries will be sent. Please bring a copy of all communications with you to the meet.

OME is not an eligibility report. Coaches are responsible for knowing events for which their athletes are qualified.

Entries are not officially accepted into the meet until the user has paid and checked out of OME. The first 400 qualified swimmers to check out of OME will be accepted into this meet. At that time, OME will be shut down and entries closed.

The USA Swimming Waiver and Release Form will automatically be generated by OME. These forms must be submitted at the Registration Desk upon arrival in Omaha. Please make copies as needed for each swimmer. Having this completed will save time during check-in at the competition site. Additionally, a parent or legal guardian must sign the form if the swimmer is under the age of majority in his/her home state.

Drug waiver forms will automatically be sent to you via email after you submit your on-line entry. Please fill these out and bring them with you to the meet (just in case).

Questions or problems with OME should be directed to Macie McNichols at USA Swimming:

mmcnichols@usaswimming.org

Proof of Times

Individual times must be submitted in actual times achieved; conversions are not permitted. The OME entry system interfaces with the USA Swimming times and membership database (SWIMS) and will provide entry times. These times are proven.

If you would like to enter using a time that is not showing in the system, there is a custom time entry function in OME, but these are not proven. If a custom time is used, proof must be submitted at Registration. Any time that has an asterisk by it in the posted psych sheet at Registration must be cleared immediately at the Times Desk. If the time is not cleared by the scratch deadline, the swimmer will be scratched from the event. Coaches should plan to arrive before the scratch deadline for a swimmer's first event if it is necessary to prove a time. If the time cannot be proven, the coach is subject to a \$100 fine.

Coaches should be sure all athlete times are in the SWIMS database.
