4. Athlete Selection Process and Criteria

The requirements to be met by an athlete in order to be considered for selection (**Performance Requirements**) for different events at the Competition are as follows, and are subject at all times to adjustment in accordance with **clause 5** of the Selection Guidelines.

Individual Olympic Events

- (a) The first and second placed eligible athletes in the Open Final of an Individual Olympic Event at the Qualifying Event will be selected to the Team subject to the time that they swim in the Open Final equalling or beating the SA Qualifying Time for that event listed in Appendix 1. For the avoidance of doubt, if the first placed eligible athlete equals or beats the relevant time, but the second placed athlete does not, then only the first placed eligible athlete will be selected to the Team.
- (b) If no athletes equal or beat the relevant SA Qualifying Time, then no athlete will be selected to the Team for that relevant Individual Olympic Event (**Relevant Event**) based on the Open Final selection process set out in **clause 4(a)** of this Selection Policy. However, athletes selected to the Team for other Individual Olympic Events may be selected by the National Head Coach to compete in the Relevant Event at the Competition, subject to that athlete having met any applicable FINA qualification time(s) for the Relevant Event. Any selection for a Relevant Event on the basis of this **clause 4(b)**:
 - (i) may be made by the National Head Coach at his/her absolute discretion, which is not required be exercised; and
 - (ii) is not capable of being appealed either under the SA Appeal Charter or otherwise.
 - (iii) may be made irrespective of whether there are no athletes selected to the Team for the Relevant Event, or if only one athlete is selected to the Team for the Relevant Event and Australia is permitted more than one competitor in the Relevant Event.
- (c) In the case of a tie by two or more athletes in the Open Final of an Individual Olympic Event at the Qualifying Event, and that tie is determinative of whether one or more of the tied athletes are selected to the Team, and each athlete

swum a time in the Open Final that equals or betters the applicable SA Qualifying Time listed in Appendix 1, a further race will be conducted at the Qualifying Event between the tied athletes at a time to be determined by the Competition Technical Manager, with the winner of that race obtaining selection to the Team, and where a second place remains available in that event for the Team (for example, where three athletes are competing for two positions on the Team), the second placed athlete will also be selected to the Team.

Relay Events

- (d) In relation to the relay events selected under **clauses 4(f) to 4(l)**, meeting or beating the SA Qualifying Time for a relay event at the Qualifying Event does not guarantee any athlete selection in the Team for that relay event.
- (e) The following criteria will apply to determine the selection of athletes for the following events at the sole and absolute discretion of SA Selection Panel.

Medley Relay

- (f) The Medley Relay involves a 100m swim of each discipline, each by a different athlete.
- (g) The highest ranked and second-highest ranked eligible athlete in each of the following Individual Olympic Events at the Qualifying Event: 100m Freestyle, 100m Backstroke, 100m Breaststroke and 100m Butterfly, may be considered for selection to the Team for the Medley Relay.

Without in any way limiting the discretion of the SA Selection Panel, in making a determination as to which of the athletes to select as Relay Only athletes under this clause, the SA Selection Panel may consider the following factors (**Factors**):
 - (i) past relay performances;
 - (ii) past relay skills;
 - (iii) performances at previous domestic and international events; and
 - (iv) any other factors the SA Selection Panel considers relevant.
- (k) The discretion granted to the SA Selection Panel in **clause 4(j)** is absolute and it is not required to be exercised. athletes to the Team and may attribute whatever weight it deems appropriate to any particular Factor when making its decision.

- (l) For the avoidance of doubt, the SA Selection Panel is not required to consider, turn its mind to, or rely on all the Factors in the exercise of its discretion to make a selection decision (for example, the SA Selection Panel is therefore entitled to rely on one Factor, two Factors, three Factors, etc. or a combination of a number of Factors in the exercise of its discretion to make a selection decision).

5. Non-Olympic Events

- (a) Non-Olympic events that will be held at the Competition are the Men's and Women's 50m Backstroke, 50m Breaststroke, 50m Butterfly and the Mixed 4 x 100m Freestyle.

Any decision made by the Team Head Coach regarding the Non-Olympic Events specified in **clause 5(a)** is not capable of being appealed either under the SA Appeal Charter or otherwise.

6. Event Cancellation, Selection and Consideration

- (a) In the event that the Qualifying Event is cancelled the SA Selection Committee will consider the Alternative Qualifying Events as follows:
 - (i) Athlete performances will be considered from the results achieved at the Designated Consideration Meets, which can be found in Appendix 2.
 - (ii) In the event that the Designated Consideration Meets are cancelled or not all athletes are able to attend due to Covid related border closures, the SA Selection Panel and National Head Coach may consider athletes that have met the qualifying standard at a FINA Approved meet between 1 January 2021 and 22 May 2022.
