Facility

The Elkhart Aquatics is a collaboration between Beacon Health System, Elkhart Community Schools and the Community Foundation of Elkhart County. The facility is the result of visionary community leaders and donors as a place of health, wellness and growth for Elkhart County. The facility includes a state-of-the-art aquatics center with a 50+M main pool, all deep water with moveable bulkheads, and 2 additional warm-up pools.

Invited Teams

All NCAA Division I programs and programs reclassifying from NCAA Division II or NCAA Division III to I. All programs must be current members of the CSCAA.

Official Rules

2022-23 NCAA rules will govern this meet.

Conduct of Events

All individual events except the 1650 and 1000 yard free will be conducted as prelim/final events with places 1-10 qualifying for the A final and places 11-20 qualifying for the B final. The B final will precede the A final. All preliminary heats will be conducted slowest to fastest, with standard championship seeding of the fastest three heats. Flyover starts will be utilized in prelims.

1650 Freestyle

The 1650 freestyle will be run as a timed final event with the fastest ten seeded swimmers competing in Saturday finals session. All others will swim at the end of Saturday prelims, swimming fastest to slowest, alternating heats of men and women.

1000 Freestyle

The 1000 free will be run as a part of the 1650 free. The 1000 yard split for each swimmer will be used as the final time for the 1000 freestyle. Any entrant in the 1000 freestyle will automatically be entered in the 1650 freestyle, however, an entrant in the 1650 freestyle may opt to not enter the 1000 freestyle. For purposes of entry limits, these will be counted as separate events. For seeding purposes, 1650-yard times will be seeded ahead of 1000-yard times.

Relays

Relays will be conducted as timed final events. All 200 Freestyle and 200 Medley Relays will be contested at the start of the Finals Session. The twenty fastest-seeded 'A' relays in the 400 Freestyle Relay, 400 Medley Relay and 800 Freestyle Relay will be swum during the finals sessions with the remaining relays contested at the conclusion of preliminaries. All 'A' Relays will be seeded ahead of 'B' relays and only 'A' relays may score. When A and B relays are in the same heat the pool will be split with all A relays seeded together on one side of the pool and B relays on the other.

Scratches

All swimmers entered in the meet must compete in all heats, finals, and swim-offs unless excused by the meet referee or trainer on duty for certified illness or injury. Failure to compete will disqualify the swimmer from further competition in the meet as per NCAA rules.

All scratches are to be made electronically. All entries not scratched will become official entries.

Unless declared within 30 minutes following the conclusion of the preliminary session, a swimmer or diver who scratches from the finals will be unable to swim/dive in the rest of the championship competition.

Time Trials

At the discretion of the meet referee, time trials for events 200 yards and shorter will be provided following each preliminary session. Events longer than 200 yards will also be offered following Thursday's preliminary session and may, at the discretion of the meet referee, be offered on Friday. Time trial entries must be received and paid for by 11:00 am each day. Co-ed time trials are not permitted. Entry fees for time trials are \$15 per event and due upon entry.
