

2023 FINA World Championships
19th to 30th July 2023, Fukuoka, Japan
SELECTION POLICY

1. POLICY PURPOSE

- 1.1. This selection policy outlines the process to select the team to represent Great Britain at the 2023 World Championships.

2. PERFORMANCE OBJECTIVES

- 2.1. The targets for this event are to:
- i. Optimise medal outcomes in Olympic individual events
 - ii. Optimise medal outcomes and secure quota places for targeted Olympic relay events
 - iii. Provide international experience for athletes on a trajectory for podium performance at the Paris 2024 Olympic Games.

3. SELECTION TRIALS

- 3.1. Selections will be made from performances at the 2023 British Swimming Championships, Ponds Forge International Sports Centre, Sheffield, 4th-9th April 2023, subject to clause 5.2 below.

4. TEAM SIZE

- 4.1. Up to a maximum of 30 athletes will be selected for the 2023 World Championships. There is no obligation on British Swimming to select 30 athletes and the total team size will be determined by the Performance Director (PD) at his complete discretion.
- 4.2. Up to a maximum of two athletes per individual event and one relay team per event can be selected.

5. SELECTION PROCESS

- 5.1. The first place finisher in the open final of each individual Olympic event at the 2023 British Swimming Championships will be selected, subject to the athlete recording a time that equals or better the qualifying time listed in Table 1 in the open final of that event.
- 5.2. Following the selection of athletes under 5.1, up to a maximum of eight (8) additional selections may be made at the discretion of the PD and the GB Head Coach. As well as other considerations, the PD and GB Head Coach may use the rankings compiled under 5.3 below as a guide to assist the exercise of their discretion. In the event the PD and GB Head Coach are unable to agree then the PD's selection decision shall be final.
- 5.3. Following the selection of the athletes under 5.1 and 5.2 above, consideration for selection of other athletes will then be given to athletes recording a time that better or equals the time listed in Table 2. Athletes' times from their performance in the open final will be ranked based on the percentage inside the Table 2 time. There is no guarantee that swimming inside or equalling a table 2 time will earn selection.

Athletes will be ranked against times in Table 2 on the following basis¹:

- I. Only athletes in events where places remain will be considered for selection.
- II. The top two finishers in the final of each individual Olympic event will be ranked using their open final time. For events where an athlete has been selected under 5.1 then the 2nd placed athlete only will be ranked using their final time.

SELECTION POLICY**

- III. The top four finishers in each of the final of the 100m and 200m Freestyle events will be ranked as a relay team on the basis of their combined finals time against the time in Table 2. This will qualify the relay for consideration but it does not automatically qualify the top four athletes that swam the combined time inside the time in Table 2. The decision on which athletes swim in which relay (once that relay is qualified) will be made by the GB Head Coach in consultation with the PD.
- IV. The winner from the final of the 100m Backstroke, 100m Breaststroke, 100m Butterfly and 100m Freestyle will be ranked as a relay team on the basis of their combined open finals time against the time in Table 2, subject to one swimmer winning more than one of the above events (100m Backstroke, 100m Breaststroke, 100m Butterfly and 100m Freestyle), in which case the PD may, at his complete discretion, use the time of the 2nd placed swimmer to create the fastest combined finals time.
- V. If no athletes are considered for selection under 5.3 iv above, the PD and GB Head Coach reserve the right to rank any 4x100 mixed medley combination from results in finals at the 2023 British Championships and include these athletes for consideration if their combined time is equal to or inside the time in Table 2
- VI. In the event of a tie (equal 1st or 2nd or where two or more swimmers are ranked the same percentage difference to the times listed in Table 2) the swimmers' heat time will be considered. If these are still equal the PD will have the final decision on selection.
- VII. Athletes outside of the published times in Table 2 will not be considered for selection with the exception of athletes selected under 5.2 or in exceptional circumstances as determined by the PD at his complete discretion.

5.4 Selection via 5.1 qualifies the athlete to swim in that event in the 2023 World Championships. Selection via 5.2 and 5.3 selects athletes onto the 2023 World Championship team. The GB Head Coach in consultation with the PD will determine individual event entries. Selection under clauses 5.2 and 5.3 does not guarantee any athlete a place in any specific event or relay.

6. SELECTION NOTIFICATIONS

6.1 All athletes selected will be notified by email on or before 12th April 2023.
