The quotas of team officials (coaches, team leader, medical staff, support staff, etc.) allowed by discipline are defined in [Section 4](#). For individuals involved in more than one discipline, please select the discipline that they will be most associated with during the Championships.

Only persons aged of 18 or older as of the first day of the World Aquatics World Championships are allowed to be accredited as Team official.

Concerning World Aquatics Member Representatives, the President and the General Secretary, officially recognized by World Aquatics, will be entitled to free accreditation. (This cannot be transferred to any other person)

Any other individual registered under the World Aquatics Member Representative category will be charged a fee of one hundred-fifty (150) USD for their accreditation. World Aquatics Member Representatives are NOT included in Team Official quotas and are restricted according to the quotas below.
