## **3 Long List**

- 3.1 For the purpose only of identifying prospective members of the Team, the National Federation and AOC may maintain a Long List of Athletes.
- 3.2 For the avoidance of doubt, membership of the National Federation's or the AOC's Long List does not increase, decrease or otherwise affect an Athlete's prospects of being nominated by the National Federation, or being selected by the AOC to the Team.

## **4 Athlete Quota Positions**

- 4.1 The National Federation may only nominate Athletes to the AOC for selection to the Team where, pursuant to the Qualification System, the International Federation has awarded the AOC or the National Federation athlete quota positions.

- 4.2 A National Federation may not nominate more Athletes than the number of athlete quota positions awarded to the AOC or the National Federation under the Qualification System.

- (b) is a member of the National Federation;
- (c) satisfies the Qualification System;
- (d) will satisfy the AOC Selection Criteria set out at Appendix 1 of this Nomination Criteria;
- (e) has not breached the AOC Anti-Doping By-Law, unless the Athlete has been sanctioned for the breach and has completed the sanction imposed; and
- (f) does not, and is not likely to in the foreseeable future, suffer from any physical or mental impairment that would prevent the Athlete from competing at the Games to the highest possible standard for that Athlete.

## **6 Nomination Criteria**

### **6.1 Individual Olympic Events**

Subject to clause 6.1(e), an Athlete meeting the requirement in clause 6.1(g) and the regard by Swimming Australia of Extenuating Circumstances pursuant to clause 7:

- (a) the first and second placed eligible Athletes who equal or better the SA Qualifying Time in the 'A' Final of an Individual Olympic Event at the Nomination Event and who are available to swim in that Individual Olympic Event at the Games will be nominated to the AOC for selection for that Individual Olympic Event;
- (b) if only the first placed Athlete equals or better the SA Qualifying Time in the 'A' Final of an Individual Olympic Event at the Nomination Event, only that first placed Athlete will be nominated to the AOC for selection for that Individual Olympic Event;
- (c) if no athletes equal or better the SA Qualifying Time in the 'A' Final of an Individual Olympic Event at the Nomination Event, then no athlete will be nominated to the AOC for selection for that Individual Olympic Event.;
- (d) if two or more Athletes tie in the 'A' Final of an Individual Olympic Event at the Nomination Event, and the tie will determine whether one or more of the tied Athletes is nominated to the AOC, a swim-off will be conducted at the Nomination Event between the tied Athletes at a time to be determined by the Competition Technical Manager. For the avoidance of doubt, the Athlete with the faster time in the swim-off will be nominated to the AOC for that event regardless of the time they've swum meeting the SA Qualifying Time in the swim-off;

- (e) If the number of Athletes who achieve a SA Qualifying Time at the Nomination Event exceeds the maximum number of quota places available for Australia under the Qualification System, then the SA Selection Committee will use the following considerations to determine which Athlete(s) the National Federation will nominate to the AOC in its absolute discretion and in descending order of importance:
- (i) each Athlete's performance in the Individual Olympic Events will be compared by ranking each Athlete's performances based on the 2023 World Aquatics World Rankings for that event. For the avoidance of doubt, the National Federation will exclude Australian Athletes and only count the performances of the top two athletes from each nation on the 2023 World Aquatics Rankings for the purposes of determining nominations under this clause. The SA Selection Committee will give priority to the higher ranked Athlete under this clause;
  - (ii) in the event of a tie between two (2) or more athletes in the 2023 World Aquatics Rankings under clause 6.1(e)(i), then the National Federation will use the 2023 World Aquatic Point Score(s) to compare each Athlete's performance in the Individual Olympic Event in 2023. The SA Selection Committee will give priority to the higher ranked Athlete under this clause; and
  - (iii) the SA Selection Committee may prioritise Athletes that compete only in relay events over Athletes who achieve SA Qualifying Times in Individual Olympic Events.
- (f) An Athlete who is nominated to the AOC and is ultimately selected by the AOC to the Team, may be chosen by the Swimming Australia National Head Coach to compete in an Individual Olympic Event for which they did not meet the SA Qualifying Time, subject to that Athlete having met the World Aquatics Olympic Qualifying Time for that Individual Olympic Event. The decision made by the Swimming Australia National Head Coach under this clause:
- (i) may be made at his or her absolute discretion, which is not required to be exercised; and
  - (ii) cannot be appealed under the SA Appeals Charter or any other Swimming Australia policy.
- (g) The National Federation will only nominate eligible Athletes to the AOC for selection to the Team who, in the opinion of the National Federation in its absolute discretion are, and will remain, a positive ambassador for the Sport, the National Federation and the Games.

## 6.2 Relay Olympic Events

- (a) The following relay events are on the program for the Sport for the Games:

  - (ii) best satisfy the criteria in clause 6.2(c) in the sole and absolute discretion of the SA Selection Committee.
- (c) the SA Selection Committee will have regard to any or all of the following factors, in its absolute discretion, in determining which Athletes to nominate under clause 6.2(b):
  - (i) whether the Athlete is likely to contribute to an Australian relay team achieving the highest competitive result at the Games in one or more of the Relay Events set out at clause 6.2(a);
  - (ii) the Athlete's past relay performances at any domestic and international competitions, including past relay skills, such as changeover times and splits;
  - (iii) the Athlete's performance trajectory, form and fitness;
  - (iv) the benefit or detriment of the Athlete's membership in the relay with respect to relay dynamics and overall team performance; and
  - (v) any other factors the SA Selection Committee considers relevant, including whether the eligible Athlete is and will remain, in the opinion of the National Federation in its absolute discretion, a positive ambassador for the Sport, the National Federation and the Games.

## **7 Extenuating circumstances**

- 7.1 In determining whether an Athlete has satisfied the any of the criteria set out in clause 6, the National Federation may, in its absolute discretion, have regard to Extenuating Circumstances.
- 7.2 In the event that an Athlete determines that he or she is unable to attend the Nomination Event, that Athlete must notify the National Federation in writing as soon as practicable.
- 7.3 The National Federation may consider an Athlete's non-attendance or inability to perform at their best at the Nomination Event to be an Extenuating Circumstance in its absolute discretion. The National Federation may require an Athlete to undergo a medical examination as a condition of treating the Athlete's non-attendance or inability to perform at their best at a Nomination Event as an Extenuating Circumstance.

## **8 Appeals**

- 8.1 A non-nominated Athlete may only appeal against their non-nomination (***Nomination Appeal***) in accordance with the procedure set out in clause 9.6 or clause 9.9 of the AOC Olympic Team Nomination and Selection By-Law (***AOC By-Law***).
- 8.2 Any Nomination Appeal arising out of this Nomination Criteria which is commenced under clause 9.6 of the AOC By-Law will be heard by the National Sports Tribunal General Division in accordance with clause 9.6(c) of the AOC By-Law. For clarity, clause 8.2 does not apply to

appeals against non-nomination commenced under clause 9.9 of the AOC Olympic Team Nomination and Selection By-Law (***Nomination Fast Track Appeal***).

## **9 Withdrawal**

- 9.1 If following the nomination of an Athlete and their subsequent selection by the AOC to the Team, an Athlete withdraws from the Team or the National Federation assesses a selected Athlete as injured or unfit to compete in their event(s) at the Games, then the National Federation may immediately notify the AOC and request to remove the Athlete from the Team, in which case the AOC will consider, at its absolute discretion, whether to de-select that Athlete.
- 9.2 If the AOC decides to de-select the Athlete from the Team, then the National Federation's High Performance Director may request that the National Federation nominate a replacement Athlete for selection by the AOC and that the SA Selection Committee identify such Athlete in its absolute discretion.
- 9.3 In determining which eligible Athlete (if any) to nominate as a replacement Athlete in its absolute discretion, the SA Selection Committee will consider the Athlete's performances at the Nomination Event.
- 9.4 For the avoidance of doubt, any replacement Athlete identified under clause 9 will not be nominated to the AOC unless and until they replace a selected Athlete and, if the replacement occurs following the Sport Entries Deadline, only if the criteria for the replacement under the IOC / Paris 2024 Late Athlete Replacement Policy is satisfied.
