Sport Rules and Procedures

The Swimming competition at the Olympic Games Paris 2024 will be held in accordance with the rules of the World Aquatics Constitution and Rules, and the Olympic Charter which is in force at the time of the competition.

Heats for all events take place in morning sessions. Semifinals, finals and victory ceremonies take place in evening sessions.

For relays, the composition of the teams and/or their swim order may be different from the heats to the final.

Tie Break Rules

For individual events of 200m or less, ties for the last qualification or reserve position (from heats and semifinals) may be broken by swim-offs. In longer distance events and relays, if athletes or teams are tied for the last qualification place, all tied athletes or teams will take part in the final (maximum of 10 lanes). If more than three athletes or teams are tied for the last qualification place, a swim-off may be held. There are no other tie-breaking rules for ranking.

Penalties / Disqualification Rules

The most common reasons for individual disqualification are false starts, and illegal touches or kicks in breaststroke or butterfly. In relays, a common infraction is an early start during the exchange as detected by the automatic judging equipment. Video technology was initially introduced to confirm or overturn infraction reports made from the pool deck. It is now also used to initiate infraction reports.

Protests / Appeals

Protests may be filed against decisions taken by Referees. Protests are accepted up to 30 minutes after the publication of the phase results of the event concerned, or in the case of a video review, up to 30 minutes after the video review has taken place. The Jury of Appeal is the World Aquatics Bureau.
